

## Basic search

At the end of the main menu bar, the basic search is launched via the search icon (🔍). In the upper box, enter a search keyword (reference number, keyword) which must consist of 3 characters minimum. In the lower box, select the search field, Standards - information related to standards or Other - other information available on the website.

The search starts by clicking Search or pressing Enter on the keyboard.

## News & Events

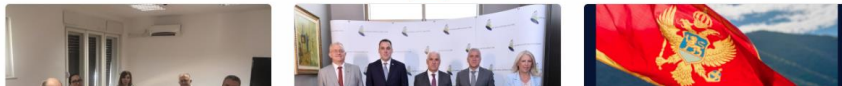

## Advanced search

**Advanced Search** is launched by clicking on the shortcut on the main page or by clicking on “Advanced Standard Search” in the **Standardization menu**.

## News & Events

Activating this option opens an advanced search form defining the search criteria. Filling in more fields (criteria) gives a more detailed search. Fields with examples are filled in with bright letters. Some of the fields are: **Reference** - Reference number of the standard, **Originator** - publisher of the standard, **ICS** - international classification of standards (by clicking on Search by ICS, a list for different fields is opened), **Current stage** - phase in which standards is currently etc. The field giving **Status** - selection option gives the possibility to search by the status of the standard, published standard, withdrawn standard, etc.

A screenshot of the Advanced search form on the ISME website. The form is titled 'Advanced search' and includes a brief instruction: 'Use the form below to find the searched standards or standartization documents. Enter your criteria for searching (single or in combination) in the fields below and press the button "Search".' The form contains several search criteria fields: 'Keywords' (text input with example 'quality management'), 'Reference' (text input with example '9001'), 'Originator' (dropdown menu with 'All originators'), 'Committee' (dropdown menu with 'Like' and text input with example 'TC 34'), 'ICS' (text input with example '01.040.11'), 'Classification' (text input with example 'system'), 'Current stage' (dropdown menu with 'All stages'), 'Stage date from' (date input), 'Stage date to' (date input), 'Type' (dropdown menu with 'Equal'), and 'Status' (checkboxes for 'Project', 'Published', 'Withdrawn', and 'Abandon'). A 'Reset' button is located at the bottom left, and a 'Search' button is at the bottom right.
